Guidelines for Comms

You are invited to communicate on your **participation** to Plugtests:

- ✔ PRs, blog posts, social media...
- ✔ Note: If you are to mention other participants, please make sure they are OK with it
- ✔ The event is being photographed and video recorded only for ETSI use and related promotional purposes. By attending our event, you are hereby made aware that you may be photographed and/or video recorded and that your consent is presumed.

 **#NFVplugtests**
#MECplugtests

Some guidelines when communicating on Plugtests **Results**:

- ✔ Please wait for the Plugtests Report to be published before communicating on Plugtests Results
- ✔ You can communicate on your own company's (/project) results
- ✔ Do not mention other companies results if you do not have a written agreement with them
- ✔ Do not compare to other participants, i.e: "we are the first", "the only ones", etc....

ETSI acknowledges participation, but does not endorse or certify companies, products or results

- ✔ In case of doubt, check the RoE and NDA, or ask ETSI

Questions?

Thank you 😊
